			Se	ection 2 - Ha	zard Identi	fication			
HS classificatior	n eye irritant(categor	y 2A) , skin irr	itant (category 2))					
				Section 2.1	- Label Eler	ments			
Hazard Pictograms Signal Word: Warning Hazard Statements: Causes serious eye irritation. Causes skin irritation.				Precautionary Statements: Read label before use. If medical advise is needed, have product container or label at hand. Do not get i eyes or on skin. Wear eye protection and protective gloves. IF ON SKIN: Wash with plenty of soap and water. Take off contaminated clothes and wash before reusin If skin irritation occurs get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy t do. Continue rinsing. If eye irritation persists, get medical attention.

Section 10 - Stability and Reactivity													
Product is stable. Hazardous polymerization will not occur. It is incompatible with strong oxidizing agents. If burned normal combustion products such as Carbon Dioxide, Carbon Monoxide and Nitrous Oxides may occur.
