for Institutional and Industrial Use

Effective in the presence of 5% serum contamination

EPA REGISTERED

NOTE: NOT ALL DISINFECTANT AND SANITIZER PRODUCTS ARE AVAILABLE IN ALL STATES.

Description

This product is an effective sanitizer-cleaner for use on food contact as well as non-food contact surfaces.

This product is for use in medical and dental offices, nursing homes, day care centers, nurseries, restaurants, bars, cafeterias, institutional kitchens, convenience stores, food storage areas, institutions, schools, camp grounds, USDA inspected food processing facilities, hotels and motels.

This product is for use on the following washable hard, nonporous surfaces: floors, walls, countertops, stovetops, sinks, refrigerators, cabinets, highchairs, garbage cans, refrigerated storage and display equipment, tables, non-wooden picnic tables, outdoor furniture except cushions and wood frames, telephones, doorknobs, conductive flooring and hard nonporous surfaces made of metal, glazed porcelain, glazed ceramic, plastic, porcelain lining, stainless steel, enameled surfaces, finished woodwork, laminated surfaces, vinyl and plastic upholstery.

Directions For Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product can be used in accordance with the U.S. Public Health Service food service sanitization recommendations.

U.S. PUBLIC HEALTH SERVICE FOOD SERVICE SANITIZATION RECOMMENDATIONS

CLEANING AND SANITIZING: Equipment and utensils shall be thoroughly pre-flushed or pre-scraped and when necessary, pre-soaked to remove gross food particles and soil.

1. Thoroughly wash equipment and utensils in hot detergent solution.
2. Rinse utensils and equipment thoroughly with clean water.
3. Sanitize equipment and utensils by immersion in this product [200 ppm active] for at least 60 seconds at a temperature of 75°F.
4. For equipment and utensils too large to sanitize by immersion, apply this product [200 ppm active] by rinsing, spraying or swabbing until thoroughly wetted.
5. Allow sanitized surface to drain and air dry.

See product label for complete directions for use.

KEEP OUT OF REACH OF CHILDREN

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

First Aid

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.
