The product lot code range for the impacted products is 1274425 – 2140425.

Our records indicate you have received shipments of impacted product. We ask that you examine your inventories and immediately destroy any impacted product that remains. To receive your credit, **please complete the product destruction summary form enclosed** and send to the contact identified on the form.

If this product has been further distributed beyond your facilities, please contact your accounts and advise them of the recall.

This voluntary recall is being made with the full knowledge of the U.S. Food and Drug Administration.

We apologize for any inconvenience this may cause. Please contact your regular Smucker representative with any questions or concerns.
